

STUDENT WORKSHEET #1
7 Ways to Empower Girls (2 pages)

Name: _____ Date: _____

Directions:

As you watch the video, take notes in each category below.

1. Clean Water

- How does access to clean water help girls?

2. Education

- Why does education help prevent child marriage?

3. Economic Empowerment of Families

- How does poverty affect decisions about marriage?

4. Improve Child Protection for Girls and Boys

- What does child protection mean?

5. Local Systems Change

- Why must communities be involved in change?

6. Governments Enforcing Laws

- Why are laws important, and why must they be enforced?

7. Behavior Change

- What beliefs or traditions need to change?

Reflection Questions (Answer with your seat partner):

1. Which of the seven ways do you think is most important, and why?
2. Which is hardest to change? Explain.
3. How are the seven ways connected?
4. What surprised you most in the video?
5. How are the rights of girls born in Western democracies, like the U.S. and Europe, so different than the rights these girls have in the video?
